No, I haven't and I haven't seen anything in obits. I'll see what I can find out and will let you know.

George's service was nice. One of the pictures they had on display was of you & George at the swearing in. A great picture, beaming smiles. His daughter talked about me so I felt compelled to speak. Tough. The first time I met him was at a fundraiser for you at the Regan bldg. He was the first to arrive and one of the last to leave. I gave them a letter from you, plus sent flowers.

Dear Sarah.

I thought you would want to know, since you've had a good working relationship for many years (and he adores you) with burt, that his wife passed away yesterday Oct 24.

He is taking her death very hard. Celia is being cremated. There will be a Memorial Service at St Davids, but date is not yet established.

Take care, keep up the good work - we all root for you! Merlyn Matheson

Lt. Governor,

I will have Mike Nizich work with DMVA Monday morning to make sure everything is in order regarding the disaster declaration. If approved, I think it is a good idea for you to deliver the news in person. How about if I ask Mike Nizich to contact Jay as soon as a final decision is made?

Subject: Kivalina disaster declaration heads up

Governor,

I received a briefing on Kivalina and the NW Arctic Borough's request for a state disaster declaration because I travel to Kivalina from Kotzebue on Tuesday. Apparently, the appropriate disaster cabinet folks have met and approved recommending you issue a disaster declaration with some modification of the Borough's request. I understand they are putting together a letter for General Campbell to sign and to forward the recommendation to you. I'm told you likely wont see that until Monday.

I had been invited out there through Al Adams and the Borough about a month ago when Kivalina residents came to town so the trip was pre-planned. I see an opportunity for me to personally deliver the news in Kivalina for you on Tuesday (while you're sending out the press release from you and your office and making other appropriate notifications on Tuesday) if you want your office to coordinate with mine on such a thing. I filled Sharon in on the opportunity earlier today. If you want me to do something like this let me know who I can have my office coordinate with. Thanks much!

Sean
